

IDAHO MUZZLELOADERS ASSOCIATION

The Idaho muzzleloaders Association was established in 1984 as a result of state wide expansion of the Southwest Idaho Muzzleloader Association. The organization was incorporated in November of 1989, as The Idaho Muzzleloaders Association Inc. a non-profit corporation.

The purpose of the association is to promote muzzleloader interests at the state level and to collect and disseminate information about muzzleloading activities throughout the state of Idaho.

Over the last three decades many of the opportunities for muzzleloading hunting in the state have come from the tireless efforts put forth by members in the I.M.A. By working together with other muzzleloading groups, as well as state agencies, we help to provide greater opportunities for muzzleloaders throughout the state.

However we cannot do it alone.

For just a \$10.00 annual membership you will be provided with a membership card, a quarterly newsletter, news updates as necessary, as well as a source of information about the multifaceted activities of muzzleloading in Idaho.

In return you will be providing the I.M.A. with an addition to the roster of muzzleloading enthusiasts, higher visibility, not to mention added clout.

Our members are encouraged to provide the association with ideas to improve muzzleloading hunting opportunities as well as information regarding muzzleloading activities in their areas.
