

- Don't forget about the Emmett Muzzleloading shoot being held by The Gem County Rod and Gun Club. The shoot will be held this Saturday from 10:00 AM – 2:00 PM. Gates open at 9:30. 8 to 10 targets will be offered at random ranges in a trail walk scenario. A muzzle loading pistol "Sheriff Challenge" course of fire will be offered along with a long range shot. Teams will be drawn from the hat for a team event. Patched round ball or conical bullet may be used at the shooter's discretion. In-line muzzle loaders are allowed. Scoring categories will be for round ball rifle, conical rifle, and smooth bore. All loading will be from the pouch or cartridge box. All shots will be taken from the standing position. Period attire is encouraged, but not required. Cost is \$3.00. Hope to see you there!
- Wade Esplin of Meridian was the lucky winner of the Traditions .50 cal rifle. He also takes home a handmade short starter plus just about everything else he needs to get started. Dan Wells was winner of that good looking haversack and fire making kit we raffled off at the show. Thanks to everyone who donated raffle items this year.
